**PUBLIC OPINION RESEARCH ON DISCRIMINATION
OF MINORITY POPULATION AND MARGINALIZED
SOCIAL GROUPS
MONTENEGRO**

June 2011

www.cedem.me

RESEARCH GOALS

- General assessment of level of discrimination
- Measuring social distance
- Assessment of discrimination in employment
- Assessment of discrimination in access to health protection
- Assessment of discrimination in availability of education
- Assessment of discrimination in equality of legal protection
- Assessment of state efficiency in protecting the rights of discriminated groups
- Assessment of the degree of activism of political parties, media and civil society organizations in protecting the rights of discriminated groups
- Citizens' attitudes on cancelled Pride parade
- Personal experience with discrimination

METHOD AND SAMPLE

- Survey method
- Instrument: Questioner
- Sample: double stratified with random selection of respondents in the final census circles
- Total number of respondents: 1040
- Standard statistical sampling error from +/- 3 % for occurrences with incidences of 50 %

RELEVANT SOCIAL GROUPS

- Women
- Homosexuals
- Members of minority population
- Elderly persons
- Roma people
- People with disabilities

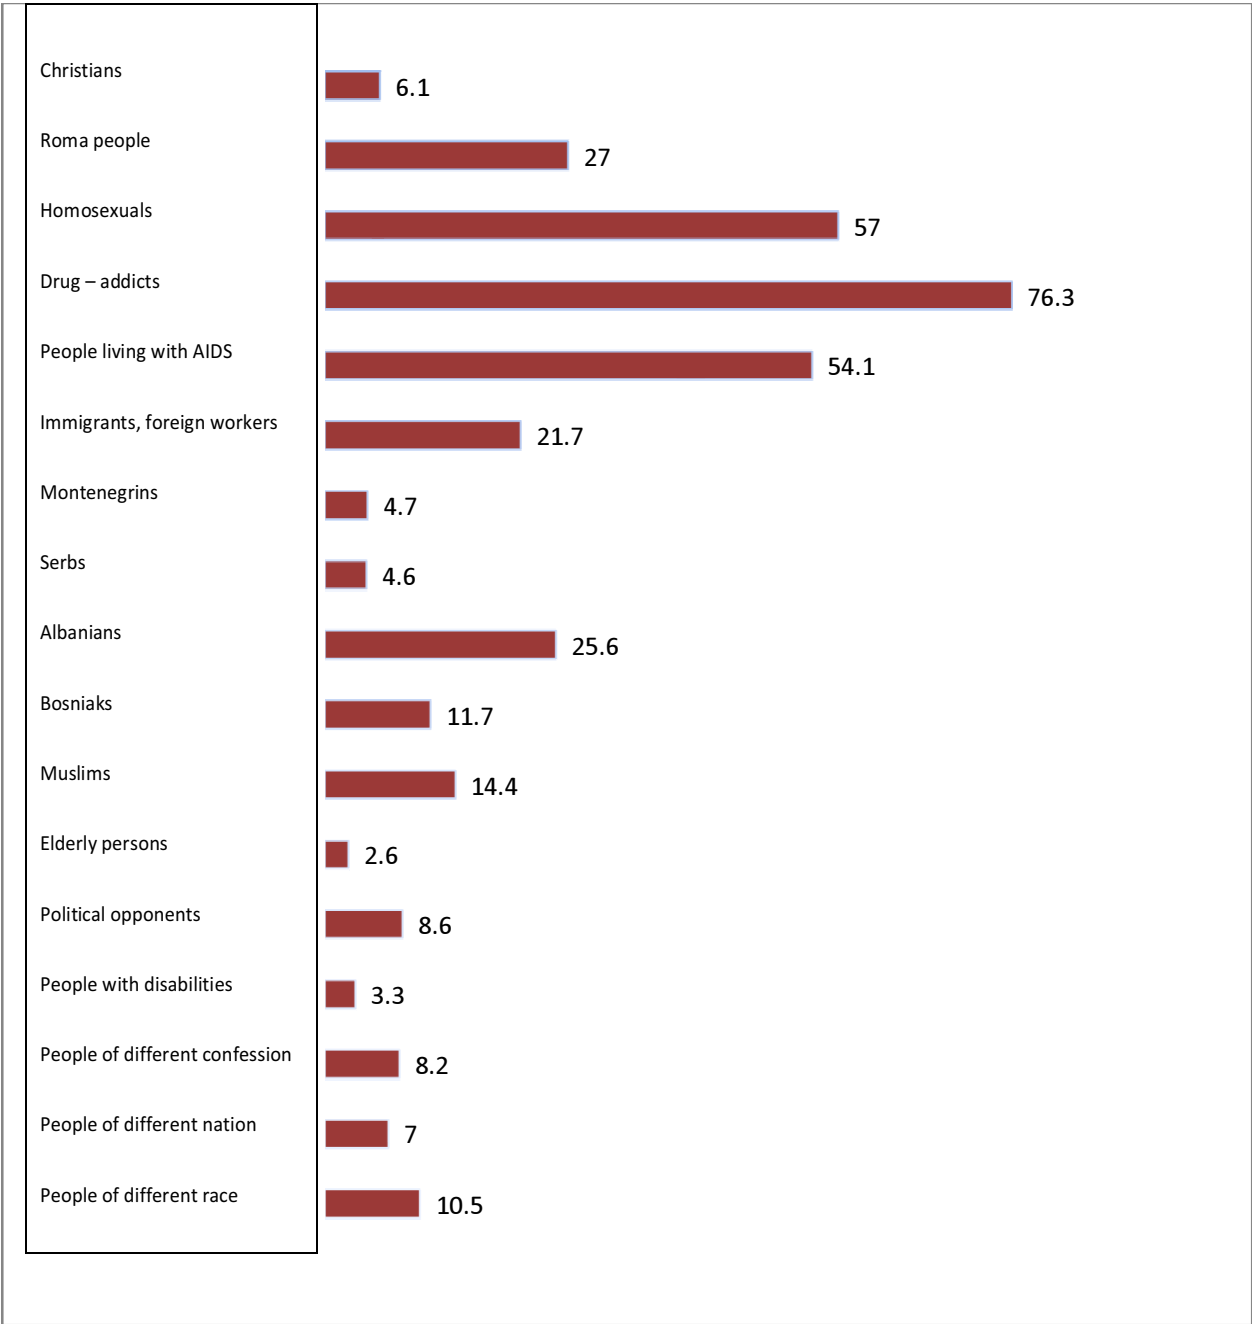

In your opinion, to what extent is discrimination present against following groups in Montenegrin society? %

	Very present	Mostly present	Mostly not present	Not present at all	I don't know, I don't have an opinion
Roma people	25,4	37,9	19,3	6,6	10,9
People with disabilities	20,8	37,2	22,8	8,4	10,8
Women	14,7	17,9	31,8	26,0	9,6
Homosexuals	26,1	23,2	15,5	12,6	22,7
National minorities	11,8	23,2	32,2	19,3	13,5
Elderly persons	14,9	21,7	31,3	20,7	11,4

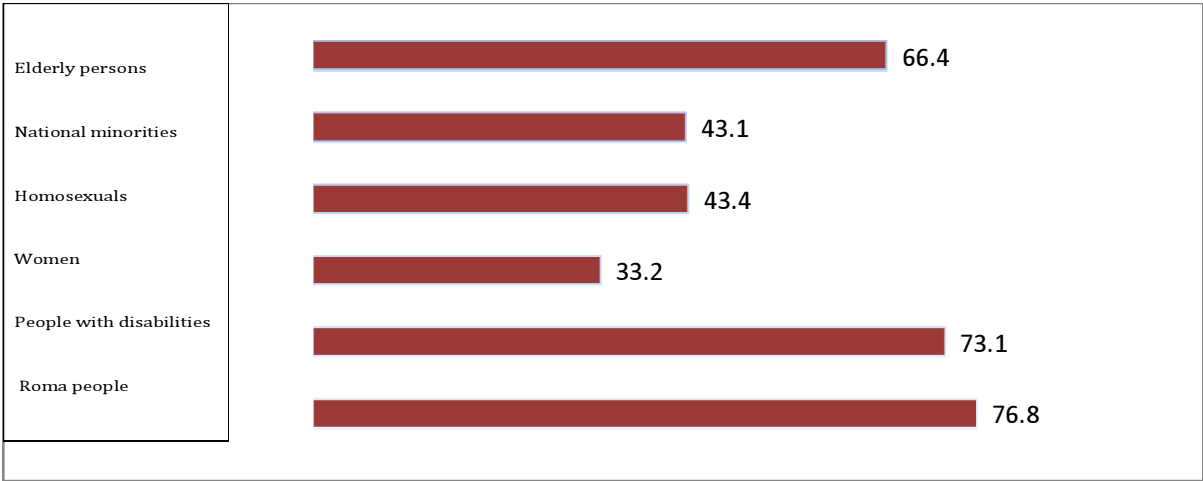

Speaking of Montenegrin society, how hard is it to be: %

	Very hard	Mostly hard	Less hard	Not hard at all	I don't know, I don't have an opinion
Roma	28,9	35,9	18,1	7,9	9,3
Person with disabilities	34,4	36,9	14,8	5,4	8,5
Woman	13,4	16,9	30,3	30,7	8,7
Homosexual	26,3	20,5	17,4	11,8	24,0
Member of national minority	12,5	21,7	30,5	22,1	13,0
Elder person	18,1	25,8	29,3	17,7	9,1

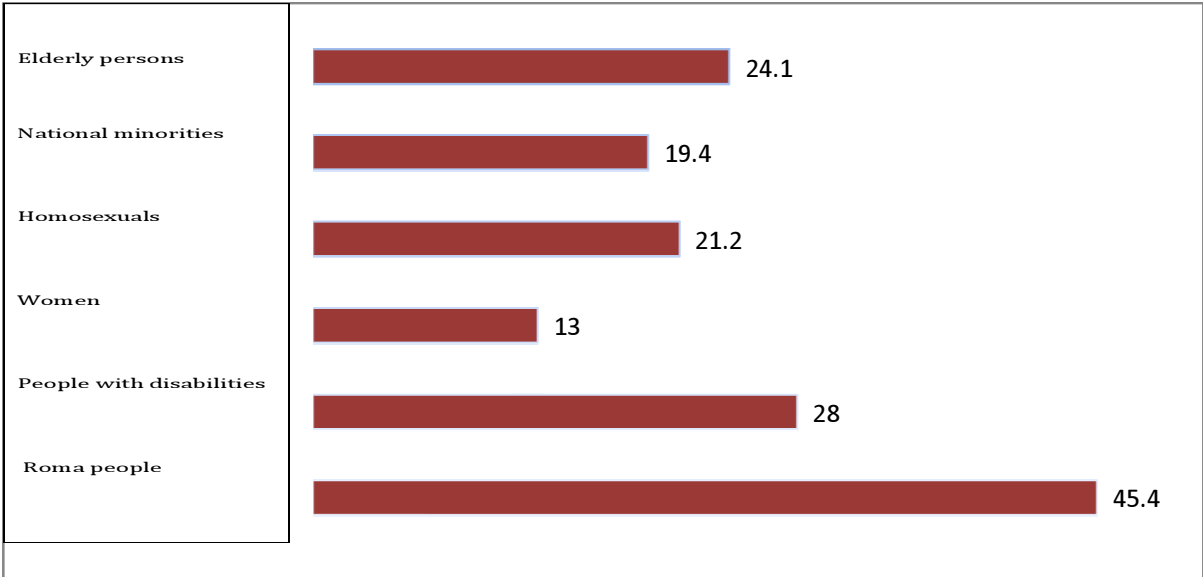

You WOULD NOT like your neighbours to be %

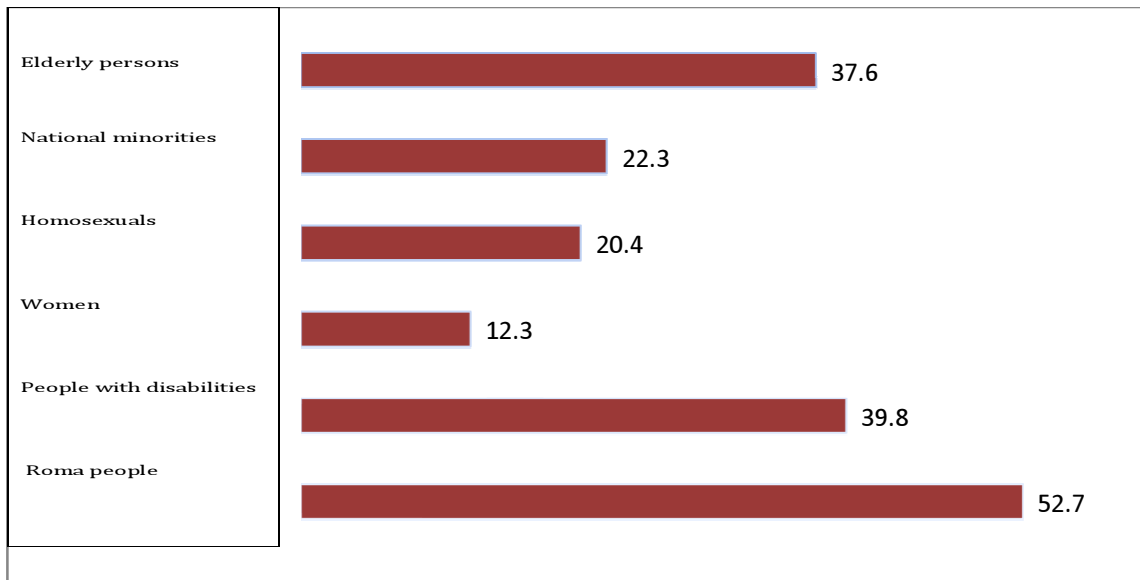

Unequal opportunities in employment %

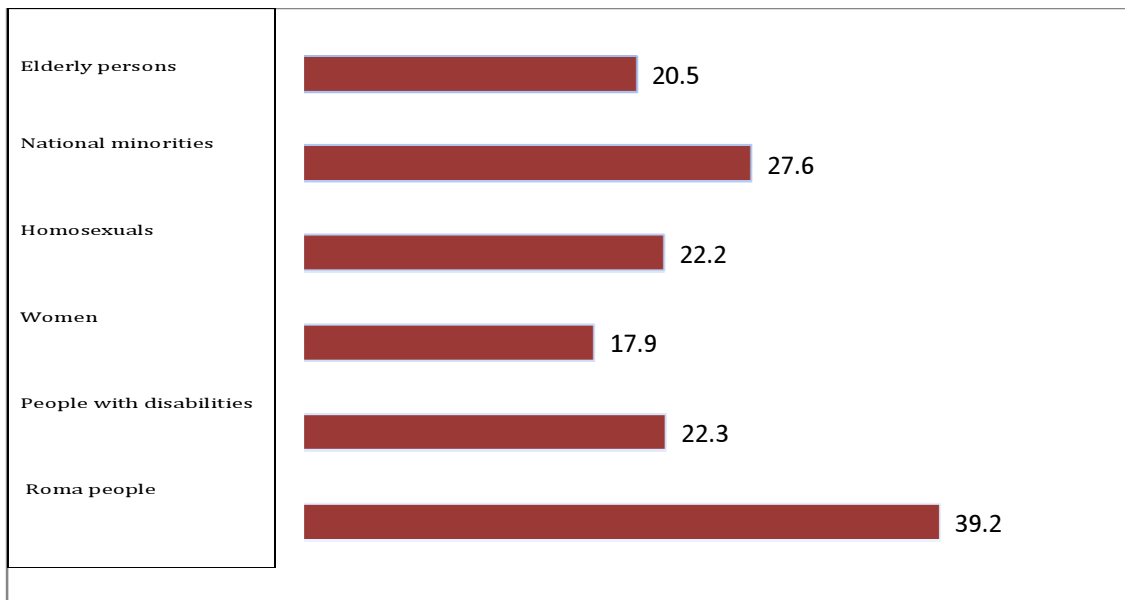

Unequal treatment in health protection %

Unequal treatment in availability of education %

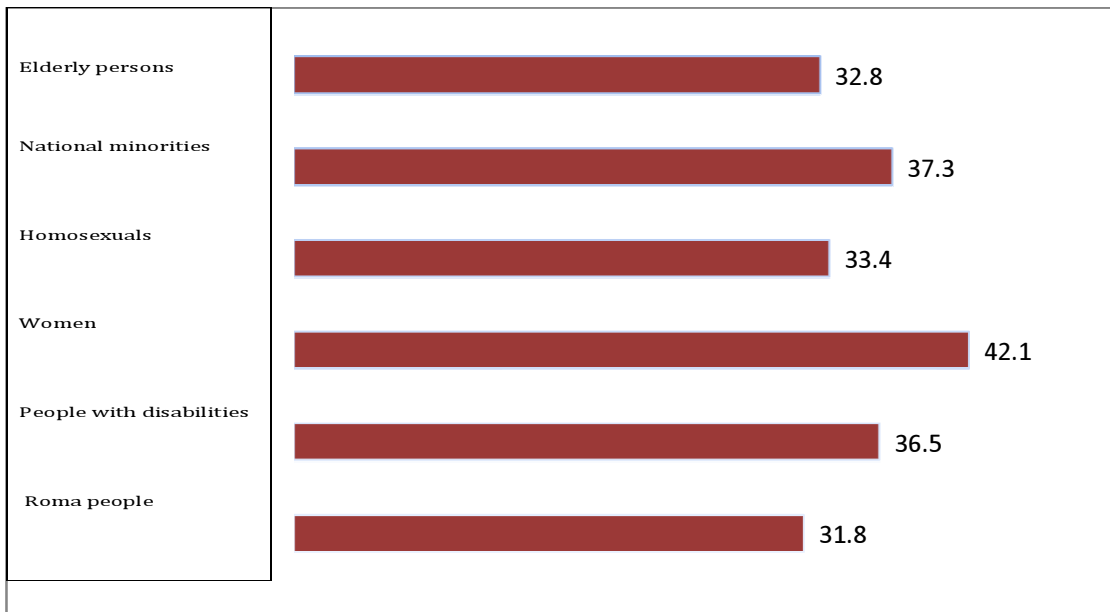

Unequal treatment in legal proceedings %

Do you think that state and its institutions sufficiently stand for improvement of overall social status – SUM: YES and Mostly YES %
